*Billecart-Salmon was established in 1818 and is still owned by the original family. A House renowned for the elegance and charm of their wines, the NV is a blend of 3 vintages, while the delicate Rose is what Billecart-Salmon is best known for. Most of Billecart-Salmon's fruit comes from a small vineyard holding, though this is supplemented with grapes bought in from the Marne Valley and the Montagne de Reims. Meticulous production techniques, from the use of their own cultured yeast to its long, slow, cool fermentation, ensure that the family has 100% control of production.*

An interesting blend of Sauvignon Blanc from the Adelaide Hills and Semillon from the Eden Valley. Both being cooler climate regions, there is a fresh and zesty feel to this wine, with good acidity and length. Excellent value and a joy to drink.

## Curly Flat Pinot Noir 2012, Macedon Ranges (Vic.)

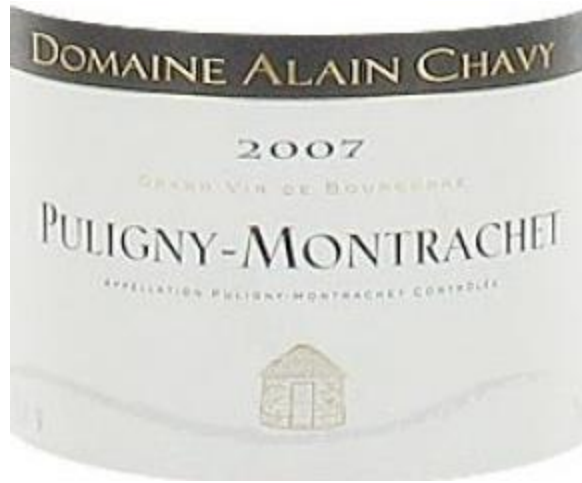

Single Bottle – 38.95 **Mixed Case – 37.00**

Curly Flat produce both Chardonnay and Pinot Noir from their vineyards in the Macedon Ranges in deepest Victoria. Both are limited in quantity and capture the essence of the terroir in much the same way as the Burgundians do. The cool climate assists in the slow ripening, producing wines of real intensity. The flavours of the Pinot Noir are stunning and will have no problem being cellared for 10 years at least.

From the hills of Abruzzo on the east of Italy. Perhaps not the best known region, but the wines are sensational. Deliciously fresh and citrus style with hints of peaches and a long finish. If you are looking for an interesting alternative to your usual this definitely does the trick.
